

The Sitka Choose Respect Mural Project introduces “invisible stories”

You are invited to share personal stories and your perceptions of what it's like to live in Sitka.

Stories can be created with images, drawings, collage or words and submitted to drop boxes around town.

Look for boxes with prompts/cues at Kettleson Memorial Library, The Pioneers' Home, schools, Harry Race Pharmacy & Photo, coffee shops, and more.

Submissions will remain anonymous; they may be used to inform the design of the Sitka Choose Respect Mural and posted on www.artchangeinc.org, our Facebook page, or displayed publicly.

You may also submit your story via snail mail to:
