

# Make Our Town Safer

*“If Sitkans are folks who pitch in to help victims of tragedy, they cannot turn away from neighbors caught up in domestic violence. ...*

*Somehow the community has to make known that such behavior is ‘not acceptable in our town.’ “*

*Gary Holthaus, Report to Sitkans, 2010*

## Here’s what you can do:

Get involved, speak up, and initiate change towards a safer Sitka!

## Volunteer and Community Training on Interpersonal Violence
