

These public service announcements(PSAs) were written by students in the Sitka Youth Leadership Committee(SYLC) discussion forums held at Mt. Edgecumbe high school. The Sitka Youth Leadership Committee leaders selected their favorite quotes and edited them to make 3 PSAs. Students on the committee recorded these PSAs at Raven Radio in April 2009.

SYLC PSA #1

Who am I?
A painter who only paints green.
A cook who makes a lot of cheese
Active
Accountable
A good friend
Weirdo
Small town girl
Artistic believer
Imaginative
I am stubborn;
too stubborn
to do things I don't want to do.
I'm like my dad
and that makes me proud.
I am who I am
and it would take a lifetime
to share who that is.
Respecting me means knowing who I am.

SYLC PSA #2

One thing I know for sure is that I will never put others down in order to meet my level of happiness.
Respect to me means being considerate and loyal.
One thing I know for sure is respecting me means respecting others.
Something I value is honesty and self-respect.
Something I value is freedom, choices.
Something I value is trying to be at my best.
